

Privacy Policy pursuant to Article 13 of Legislative Decree 196/2003 Reg. (EU) GDPR 2016/679 of the website www.tastethebest.it

This information describes the methods for managing the data of this website www.soriabruno.com, is made pursuant to art. 13 of Legislative Decree n. 196 of 30 June 2003 ("code regarding the protection of personal data") and provides for the protection of people and other subjects regarding the processing of personal data. According to the legislation indicated, this treatment will be based on the principles of correctness, lawfulness and transparency and protection of your privacy and your rights.

The information is provided by Dania Paolo as the owner of the processing of data collected through the aforementioned site (therefore other websites or electronic spaces owned by third parties are reachable through links, even if present on the pages of this site).

The collection of user data takes place through the compilation of electronic information request forms on the pages of the site; the authorization of the treatment of the data by the owner of this site is explicitly requested from the user by selecting the appropriate confirmation check shown on the form.

Before submitting any request, users are sent to read this information which specifies the limits, purposes and methods of data processing.

Type of data processed and purpose of the treatment

Navigation data

During their normal operation, the IT systems and software procedures used to operate this website acquire some personal data whose transmission is implicit in the use of Internet communication protocols.

This is information that is not collected to be associated with identified interested parties, but which by its very nature could, through processing and association with data held by third parties, allow users to be identified.

These data are kept for the time necessary to carry out these activities, except for any investigations of computer crimes against the site.

No data deriving from the web service will be communicated or disseminated, except to fulfill the obligations established by laws, regulations or community regulations.

Data voluntarily provided by users

The optional, explicit and voluntary sending of information through the electronic forms or through the e-mail to the addresses indicated on this site, involves the subsequent acquisition of the sender's address (which is necessary to be able to respond to requests) as well as any other data personal information requested by the form or inserted in the message.

The acquired data will be processed by the owner and / or third parties, together with whom the owner provides the service requested by the user. The data will be processed to respond to the request or to provide the service; they may also be used for information, promotional and commercial purposes relating to products, services and initiatives offered by Soria Matteo.

The communication of data to third parties will only take place if this is necessary in order to comply with the request received.

Purpose of the treatment for sending periodic newsletters

With the consent of the interested party, Dania Paolo may use the data provided voluntarily in order to periodically send e-mail messages (newsletters) containing information of interest regarding Dania Paolo and its activity.

For the sending of newsletters we acquire the consent - specific and separate - of the interested party, who is informed from now on that this provision is entirely optional and any refusal will not entail any consequence (if not to prevent sending newsletter periodical).

The interested party can request the removal from the newsletter service at any time using the links in the emails received, or by writing to the address: info@tastethebest.it

Cookies

You can find all the information about what cookies are and how they are used on this site by visiting the information page on the use of cookies by the website.

Processing methods

The treatment is carried out through automated tools and / or manually for the time strictly necessary to achieve the purposes for which the data were collected and, in any case, in accordance with the current regulatory provisions on the subject. Specific security measures are observed to prevent the loss of data, illicit or incorrect use and unauthorized access.

Optional supply of data

Except as specified for navigation data, users are free to provide (or not provide) their personal data. Their absence can only make it impossible to obtain what has been requested.
